

October half-term schedule:

Monday: Paper 1 (Microeconomics)

Morning Session (10:00 AM - 12:00 PM): Section A & B Short Answers

- **Focus:** Nailing the 2–8 mark short-answer questions and quantitative calculations (such as elasticities).
- **Master how to:** pull precise evidence from stems/extracts for short-answer questions and apply the expected structure needed to secure full marks.

Afternoon Session (1:00 PM - 3:00 PM): Section B Essay Practice

- **Focus:** Writing perfectly structured 10–15 marks data-response essays.
- **Master how to:** incorporate perfectly analysed diagrams, execute clean chains of analysis, and develop evaluation that is fully in context.

Tuesday: Paper 2 (Macroeconomics)

Morning Session (10:00 AM - 12:00 PM): Section A & B Short Answers

- **Focus:** Nailing the 2–8 mark short-answer questions and quantitative calculations (such as the multiplier, index numbers).
- **Master how to:** pull precise evidence from stems/extracts for short-answer questions and apply the expected structure needed to secure full marks.

Afternoon Session (1:00 PM - 3:00 PM): Section B Essay Practice

- **Focus:** Writing perfectly structured 10–15 marks data-response essays.
- **Master how to:** incorporate perfectly analysed diagrams, execute clean chains of analysis, and develop evaluation that is fully in context.

Wednesday: The 25-Mark Essay Intensive (Paper 1 & 2 Section C)

Morning Session (10:00 AM - 12:00 PM): Micro 25-Mark Masterclass

- **Focus:** Cracking Edexcel's Section C Micro essay - how to choose the right question, understand the structure, and follow an effective planning process.

- **Master how to:** expand your points, link topics and prior learning to build perfect chains of reasoning, and practise writing clear, well-justified judgement.

Afternoon Session (1:00 PM - 3:00 PM): Macro 25-Mark Masterclass

- **Focus:** Cracking Edexcel's Section C Micro essay - how to choose the right question, understand the structure, and follow an effective planning process.
- **Master how to:** expand your points, link topics and prior learning to build perfect chains of reasoning, and practise writing clear, well-justified judgement.
